New American Cursive PENMANSHIP

CONTEST

Entries due in the office by Friday, April 3

All HLS 1st-8th grade students will enter the NAC Penmanship Contest. Competing in this contest can be a great incentive for students to practice their best handwriting AND an opportunity to be recognized as a Judges' Choice Grand winner from grade-level entries submitted across the nation (only for first through third graders).

Three handwriting specialists will judge the entries submitted. They will score the handwriting entries on neatness, legibility, shape, slant, spacing, size, fluidity, spelling and accuracy. Entries will be judged by grade level. There will be a boy and girl winner from each grade, at each campus.
