Sequence of Events - Day of Trip:

Our group will meet at **9:30 a.m.** in the large room next to the group sales office on the left side of the building, lower level. To find this room, do not go up the stairs at the main entrance. Go around to the left outside of the building. There is a door on the side of the building next to the group sales office. It is a large room with picnic tables.

You will check in with me and I will give you your lift tickets. After a quick introduction by a Paoli employee, you will proceed to the equipment rental area upstairs. For those of you who have been with us before, you will skip the talk and head right to rentals. The slopes open at 10:00 a.m.

Lessons: Lessons are for ages 7 and up. Paoli ski instructors will be waiting outside for those interested in taking a one hour group lesson. Look for the group lesson signs when you come out of the rental area doors. The first session is from 11am-12am. Parents wishing to do so may drop kids ages 7+ off for a lesson. Just be sure to be back at the group lesson sign by 11:55 to meet your children.

There are also group lessons in the afternoon scheduled at 1:30pm, 3pm and 4:30pm.

Lunch: We will line up as a group at 12:30pm in the restaurant area on the second floor. You may also bring additional food if you wish.

Please contact me via email jillfrawley@hotmail.com or cell phone 727-0329 if you have any questions.

We're looking forward to seeing you there!

Blessings,
Jill Frawley
