

Cottage School students are encouraged to be servant-hearted in their daily lives. Service at school, church, and other community programs qualify our students for acknowledgement. Honoring our students is not born out of a desire to glorify the individual, but to spur fellow students on to love and good deeds. Students in pursuit of the awards described below should track their service hours and submit the attached log for consideration no later than May 1st.

Level 1: Completion of 20 service hours (Deucalion Award)

Level 2: Completion of 30 service hours (Asclepius Award)

Level 3: Completion of 40 service hours (Hephaestus Award)

Level 4: Completion of 50 service hours (Athena Award)
